

Welcome to the Colorful & Whimsical World of Bonnie Lee Books!

Bonnie Lee Books is a children's book company that produces Hardcover storybooks for beginning readers and Board books for developing young minds. Bonnie Lee Books stories have a whimsical flair that introduce children to unique animals & their environments.

For preschoolers and kindergarteners especially, Bonnie Lee Books teaches valuable life lessons and helps develop the foundations for early reading. These delightful Hardcover and Board books teach children how to open their young minds to new ideas and apply these experiences to their own life.

Bonnie Lee Books are created with the highest quality materials. They are case bound and have high gloss lamination to make colors more vivid and images sharper.
