

Welcome to the Colorful & Whimsical World of Bonnie Lee Books!

Bonnie Lee Books is a children's book company that produces Hardcover storybooks for beginning readers and Board books for developing young minds. Bonnie Lee Books have a whimsical flair that introduces children to unique animals & their environments.

Bonnie Lee Books have whisked young minds around the world and to the depths of the Pacific Ocean! Watch as your young reader falls in love with unforgettable animal characters while learning about their natural habitats and fostering curiosity about the wonders of nature.

For preschoolers and kindergarteners especially, Bonnie Lee Books teaches valuable life lessons and helps develop the foundations for early learning.

Bonnie Lee Books are created with the highest quality materials. They are case bound and have high gloss lamination to make colors more vivid and images sharper.
